Dear Mr. Dietl:

At a public meeting conducted on February 25, 2010, the Civil Service Commission reviewed the attached proposed amendments to the Personnel Administration Rules, which were submitted to the Commission on February 18, 2010.

Pursuant to G.L. c. 31, § 4, failure of the Commission to reject by majority vote of all members such change within fifteen days of submission by the administrator (HRD) shall authorize the administrator to issue such change.

At the public meeting, two members of the Commission (Henderson, Taylor) voted to reject the proposed amendments to (newly re-numbered) PAR.08(4) and PAR.22 and one member (Henderson) voted to reject the proposed amendments to PAR.06(1)(d).

Since a majority of all members did not reject these or any of the other proposed amendments within the fifteen-day review period, HRD is now authorized to issue all of the proposed changes in the manner outlined in G.L. c. 31, § 4.

Sincerely,

Christopher C. Bowman
Chairman

Applications for open competitive and open continuous examinations shall be accompanied by payment of the fee stated on the examination poster.

(2) Form of Payment.

←----- Formatted: Indent: Left: 0"

Payment in the form of bank (cashier's) check, money order or major credit card will be accepted.

(3) Waiver of Examination Fee.

←----- Formatted: Indent: Left: 0"

Examination fee is waived for applicants who are receiving public assistance, either state or federal. An applicant seeking waiver of fee shall indicate in the space provided on the application form the information required to establish eligibility for waiver. Waiver requests must be accompanied by evidence of eligibility for waiver at the time of application. Once an examination fee has been processed, the fee is non-refundable. Fees for an examination cancelled by the administrator will be returned to applicants.

PAR.06 EXAMINATIONS

(1) Procedure

(a) The administrator shall establish procedures for competitive and other examinations to test the practical fitness of applicants.

(b) The grading of the subject of training and experience as a part of a promotional examination shall be based on a schedule approved by the administrator which shall include credits for elements of training and experience related to the position for which the examination is held.

(c) The grading of the subject of employment or experience as a part of an entry-level examination shall be based on a schedule approved by the administrator which shall include credits for elements of employment or experience related to the title for which the examination is held.

(d) At the discretion of the administrator, an applicant may be allowed to take an examination subject to later review to determine if he or she meets the eligibility requirements. If it is determined that an applicant does not meet the eligibility requirements, as set forth on the poster for the office or position, he or she shall be declared ineligible by the administrator. If an applicant is deemed ineligible by the administrator pursuant to this section, the applicant's exam result shall be voided.

(e) Applications of persons for whom requisitions for employment have been made in accordance with the provisions of the fourth paragraph of section 26 of Chapter 31 of the General Laws shall be in the same form as required for all other applicants for positions for which employment is requested.

(2) Content of Examinations

(a) All selection procedures shall be practical in character and shall relate directly to those matters which fairly determine the relative ranking of the persons examined based on the knowledge, abilities and skills required to perform the primary duties (critical and frequent tasks) of the position title or occupational group as determined by reliable and representative job information available to the administrator. Examinations may be assembled or unassembled and may include written, oral, practical or performance tests, training and experience rating, assessment centers, other generally accepted selection procedures, or combinations of these, which, in the discretion and judgment of the administrator, are appropriate for the position title or occupational group being tested.

(b) The administrator shall, on a yearly basis, notify representatives of labor whose members are in the occupational fields to be tested of a proposed examination schedule. If the representatives of labor whose members are in an occupational field to be tested request, in writing, the opportunity to consult with the administrator concerning the subject matter to be tested on a particular examination within thirty (30) days of the notification of the proposed examination schedule, the administrator shall so consult, either through meetings or written submissions, with the representatives of labor prior to making a final determination concerning the form, method and content of an examination. The administrator shall afford professionals in occupational fields to be tested an opportunity to consult on the subject matter of examinations. The final determination as to form, method and content of an examination shall be within the discretion and judgment of the administrator.

(3) Examination Results

The passing mark for each examination shall be established by the administrator in accordance with generally accepted selection procedures.

PAR.07 CIVIL SERVICE ELIGIBLE LISTS

(1) The examination papers of persons examined for appointment and promotion shall be marked and graded, and the results recorded. Separate eligible lists may be kept of those seeking to enter any part of the service in which special qualifications are required.

(2) Once an applicant has been appointed from an original permanent full time certification, the applicant's name will be removed from the eligible list for that title.

Deleted: (2)

Applicants who have been terminated during a probationary period from their original permanent full time appointment, through no fault of their own, may within 30 days of their termination, petition the administrator to have their name returned to the eligibility list from which they received their original appointment if the list has not yet expired.

(3) When eligible lists for the same position are established as the result of open competitive and promotional examinations, names shall be certified first from the promotional examination, second from the reemployment list if the administrator has established such a list pursuant to M.G.L. c. 31, §40, third from the list established from the open competitive examination.

(4) The examination marks shall be presented on eligible lists in whole numbers.

PAR.08 CIVIL SERVICE REQUISITION AND CERTIFICATION

(1) Whenever any appointing authority shall make requisition to fill a position, the Personnel Administrator shall, if a suitable eligible list exists, certify the names standing highest on such list in order of their place on such list, except as otherwise provided by law or civil service rule. Insofar as possible, sufficient names shall be certified to enable such appointing authority to make appointments from among the number specified in PAR.09.

(2) Unless an appointing authority shall, within the time periods set forth in this paragraph, make and notify the administrator of an appointment from the names certified, the certification shall become void. An extension of the time period may be permitted by the administrator upon written request from the appointing authority, stating sound and sufficient reasons as to why the appointments can not be made during the time periods set forth. The time periods are as follows:

(a) within three weeks of any certification of names to the appointing authority by the administrator from any eligible list established as the result of a promotional examination;

(b) within six weeks of any certification of names to the appointing authority by the administrator from any eligible list established as the result of an open competitive non-public safety examination;

(c) within twelve weeks of any certification of names to the appointing authority by the Administrator from any eligible list established as the result of an open competitive public safety examination;

(d) In the event that an eligibility list will expire within the time periods listed in (a) – (c) above, the Administrator will decline to issue a certification from the list.

Deleted: Any person whose appointment has been legally made or authorized from the eligible list under these rules, and whose service has been terminated without fault or delinquency on his part during the probationary period, may, upon his request in writing made within six months from the date of termination of his service and if the eligible list from which he was appointed has not expired, have his name restored to the eligible list for the remainder of the period of validity of the list from which he was appointed.

Deleted: ;

Deleted: provided, however, that the Administrator, in his discretion, may limit or extend the term of any certification, or ratify any appointment made from such certification; provided further, however, that any appointing authority requesting an extension must submit a written request setting forth sound and sufficient reasons as to why the appointment cannot be made within the time period set forth in this paragraph. The Administrator may, before or after an appointment has been made, cancel a certification if he finds that the certification was made in error, or that any person certified was placed on the eligible list through mistake or fraud; and, if a person has been appointed from such certification, the Administrator may revoke the appointment and order the person's discharge. No person, however, shall be deemed to have been appointed or promoted to any position requiring certification by the Administrator from an eligible list unless the appointing authority, prior to the date of expiration of such eligible list and without regard to the time periods for certifying set forth in this paragraph, shall have notified the Administrator in writing that such person has been so appointed or promoted, or that the appointing authority has notified the Administrator of its intent to appoint or promote such person, if the appointment or promotion must be delayed due to the scheduling of any training required by statute, or municipal ordinance or by-law, or departmental rule.¶

(3) The Administrator may, before or after an appointment has been made, cancel a certification if he finds that the certification was made in error, or that any person certified was placed on the eligible list through mistake or fraud; and, if a person has been appointed from such certification, the Administrator may revoke the appointment and order the person's discharge. No person, however, shall be deemed to have been appointed or promoted to any position requiring certification by the Administrator from an eligible list unless the appointing authority, prior to the date of expiration of such eligible list and without regard to the time periods for certifying set forth in this paragraph, shall have notified the Administrator in writing that such person has been so appointed or promoted, or that the appointing authority has notified the Administrator of its intent to appoint or promote such person, if the appointment or promotion must be delayed due to the scheduling of any training required by statute, or municipal ordinance or by-law, or departmental rule.

Formatted: Indent: Left: 0"

(4) Upon determining that any candidate on a certification is to be bypassed, as defined in Personnel Administration Rule .02, an appointing authority shall, immediately upon making such determination, send to the Personnel Administrator, in writing, a full and complete statement of the reason or reasons for bypassing a person or persons more highly ranked, or of the reason or reasons for selecting another person or persons, lower in score or preference category. Such statement shall indicate all positive reasons for selection and/or negative reasons for bypass on which the appointing authority intends to rely or might, in the future, rely, to justify the bypass or selection of a candidate or candidates. No reasons that are known or reasonably discoverable by the appointing authority, and which have not been disclosed to the Personnel Administrator, shall later be admissible as reasons for selection or bypass in any proceeding before the Personnel Administrator or the Civil Service Commission. A selection made from among candidates with the same score will be considered a tie and not a bypass. The certification process will not proceed, and no appointments or promotions will be approved, unless and until the Personnel Administrator approves reasons for selection or bypass.

Deleted: 3

(5) Applicants

The Personnel Administrator shall, within fifteen days of receiving reasons for selection or bypass, review the reasons submitted and inform the appointing authority of approval or disapproval of the reasons for selection or bypass. The appointing authority shall be granted a hearing, as necessary, with the Personnel Administrator, or the Administrator's designee, during the fifteen-day review period to explain, clarify or justify reasons for selection or bypass. If the Personnel Administrator disapproves any reason or reasons for selection or bypass, he shall immediately notify the appointing authority, with clear and specific reasons for the rejection. If the Personnel Administrator accepts the reasons, he shall forthwith notify the appointing authority and the bypassed candidate or candidates, who may then appeal the decision to the Civil Service Commission pursuant to M.G.L. Chapter 31, §2(b).

Deleted: , subsection (b).

Candidates for appointment shall not be permitted to assume the duties associated with their proposed appointments until said appointments have been approved by the

Personnel Administrator. Appointments and promotions made in violation of this Rule shall be void if the Administrator deems them to be a violation of this Rule, and may be subject to issuance of stop-pay orders pursuant to M.G.L. Chapter 31, §73.

All time periods in this section shall include Saturdays, Sundays, and holidays.

(6) If a requisition is made calling for persons having special qualifications in addition to the general qualifications tested by an examination, the administrator may issue a selective certification of the names of such persons from the appropriate eligible list.

Deleted: 4

(7) If a requisition is made to fill vacancies in a title for which no eligible list exists, the administrator may certify from a suitable list established to fill positions in a different title with similar specifications.

Chapter 31, §1, the names of blind persons for employment by any state department, board or commission in the office or offices of which dictating machines are used by typists to take dictation solely from such machines and shall certify the names of such persons upon receipt of requisition. (9) Upon receipt of a requisition for full-time service, the names of intermittent, recurrent, part-time and reserve employees appointed on a permanent basis shall be certified, in accordance with these rules regarding certification, to a position with the same title in the same department or division of a department. The basis of certification shall be the order of appointment to the permanent intermittent, permanent part-time or permanent reserve position with the same title in the department or division of a department for which requisition is made; provided, that any person so appointed shall serve a full probationary period after appointment to a full-time position.

PAR.14 CIVIL SERVICE PROMOTION

(1) The examination process approved by the administrator for establishment of a promotional eligible list of ranked candidates may consist of a written examination, an oral examination, a practical test, a graded performance evaluation, or a graded schedule of seniority of service. A combination of the foregoing or other graded components through a ranking process to determine merit may be proposed by the appointing authority and approved by the administrator. The term seniority of service shall be interpreted to refer to service after certification in the department for which the examination is held. If training and experience is a component of the promotional ranking process, a schedule of training and experience shall include as experience all relevant work experience whether within or outside the department; such schedule shall include as training all relevant education. Nothing in this rule shall be deemed to limit the authority of the administrator to determine the weight and scope of examinations, as provided by law.

(2) In competitive examinations for promotion to any position in the classified official service, the administrator shall add two points to the general average mark obtained by any veteran, as defined in M.G.L. c. 31, §1, providing such veteran has first obtained a passing mark in said examination. A veteran who has also obtained twenty-five years of service shall not receive an additional two points to the general average mark.

(3) No permanent employee shall be regarded as promoted within the requirements of these rules unless he is actually employed in the position to which he is promoted within thirty days from the date of receipt of notice by the administrator of promotion. If, however, his promotion is approved by the administrator while he is serving temporarily in a position of the same or higher grade, he may continue to serve in such position as authorized by the administrator, and his permanent promotion shall not be affected by such temporary employment in a different grade notwithstanding the fact that he is not actually employed in the position to which he has been promoted during said thirty days.

PAR.22 DELEGATION OF OFFICIAL SERVICE FUNCTIONS
